This License Agreement is made between Fatype, hereinafter called the Licensor, and the recipient of the font software, hereinafter called the Licensee. The font software is herein referred as “font”, “fonts” or “typefaces”.

1. Grant of License

The Licensee must agree to the terms and conditions of this agreement to download, install and use Fatype software. Use of the font software is strictly limited by the following conditions. Fatype grants the Licensee a non exclusive non-transferable license to operate trial fonts. A font is a set of characters digitally encoded into Font Software as digital description of characters and metrics data. By accepting the License, the Licensee agrees not to decompile, modify, reformat, translate and reverse engineer Fatype fonts, or otherwise discover its source code.

Fatype provides Trial fonts for the only purpose of trying the fonts in a non-commercial way. Trial fonts are modified versions of the commercial fonts, containing a limited character set, limited or absent kerning and limited or absent features. The Licensee is allowed to use the fonts in desktop publishing and word processing software, and to make single printouts, under the strict condition that their use and the printouts are only to try the fonts. Trial fonts cannot be used to produce final designs, artworks, products, or production files, in any way, shape or form. Uploading, embedding, decompilation, conversion or modification of trial fonts is strictly forbidden. Publishing artwork and projects created with Trial fonts is strictly forbidden, including in the portfolio – online or offline. Public display of a project created with Trial fonts requires a commercial license.

3. Copyright

The Licensor retains full rights and ownership to intellectual property of the fonts both as artwork and software. The Licensee acknowledges that by receiving the fonts, he is not purchasing title to it, but is granted a license to use the font under the condition of this license. This Agreement does not grant the Licensee any intellectual property rights in the fonts. Font software or documentation may not be uploaded, copied, duplicated, rented, leased, sublicensed or lent to another person or entity. The Licensee is granted permission to make copies for backup purposes on devices that are not accessible via internet or other network systems. The Licensee will not make or encourage third parties to make derivative or modified versions of the font.

4. User(s)

Trial fonts are valid for 10 users of the same legal entity as the original Licensee. For additional users, additional licenses must be obtained.

5. Embedding

If any problem arises with our software, please let us know and we will try to provide a rapid solution.

7. Termination

Any violation of this agreement by the Licensee shall cause this license to be terminated. In the event of termination, the Licensee must immediately remove the font and all its copies from the system and certify to the licensor that no copies remain in the Licensee's possession or exist on the originally licensed site.
